The Emergency Preparedness Council advises the Disaster Management Department and Board of County Commissioners on the development of activities, strategies and priorities regarding disaster preparedness.

EPC members serve a 3-year term, attend quarterly 2-hour meetings, and work on a subcommittee focused on Communication, Community Preparedness, Logistics, Resources and Recovery.

The EPC is currently recruiting community members that live or work in Zone 3 or Zone 5. (1 each)

Anyone 18 years of age or older who is a resident of the county, a property owner within the county, or a designated representative of a business, non-profit, corporation, or trust within the county, is encouraged to apply.

**Application deadline is May 10, 2023.**
